WHO WE ARE

Biz Print is a UAE-based online printing platform built for businesses that are done chasing printers.

Founded in February 2026, Biz Print is backed by **15+ years** of hands-on experience in the printing industry from design to production to large-scale execution.

Printing in the UAE is fragmented, delayed, and largely offline. Biz Print was built to fix that by bringing every printing requirement under one transparent, digital platform.

WHAT WE DO

We do one thing - **Printing.**
But we do it differently.

Biz Print offers a fully online printing experience where businesses can order, customize, and receive prints without follow-ups, uncertainty, or delays.

From everyday business essentials to large-format branding, everything is handled through a single platform - efficiently and transparently.

WHY BIZ PRINT
